Summary

Operations manager, digital creator and self taught UI/UX designer with a background in IT. I enjoy building systems that work—whether that means directing field teams to complete 1,000+ monthly service jobs or strategizing to grow a YouTube community to 15,000 subscribers. I am looking for a dynamic management role where I can blend my technical skills, hands-on leadership, and entrepreneurial mindset to help a business grow.

Work experience

Operations Manager | Sure Lock & Key LLC | U.S Company | **06/2024 - 12/2025**

- Managed the end-to-end service delivery process—from the initial customer call to final job completion—overseeing daily schedules for 10 field technicians and executing approximately 1,300-1500 jobs per month.
- Audited and finalized job details within the Workiz CRM, ensuring absolute accuracy in customer data, service notes, and billing once jobs were completed.
- Acted as the primary problem-solver for escalated customer or technician issues, collaborating directly with regional managers to quickly resolve complex operational roadblocks and prevent order cancellations.
- Streamlined communication between technicians and customers, optimizing dispatch routing to noticeably improve response times for urgent calls.
- Collaborated frequently with the logistics team to ensure timely delivery of materials and seamless on-site service execution.

Customer Support Specialist | Sure Lock & Key LLC | U.S Company | **09/2023 - 06/2024**

- Handled high-volume inbound calls (50+ daily), diagnosing customer issues accurately to dispatch the right type of service.
- Navigated stressful situations with frustrated clients, maintaining a calm demeanor and ensuring high customer satisfaction.
- Coordinated directly with the technical team to provide clients with accurate arrival times and price estimates.
- Used Workiz CRM software to log customer data, update statuses, and track service progress from start to finish.

Independent Content Creator & Strategist | YouTube | **2019 - Present**

- Conceptualized, filmed, and edited high-quality personal vlog content utilizing Adobe Premiere Pro and Photoshop.
- Analyzed audience data (via YouTube Studio) to iterate on content strategy, successfully driving engagement and growing a community to over 15,000 total subscribers.
- Managed the end-to-end lifecycle of a digital media project that accumulated over 1 Million total views, demonstrating consistency and long-term strategic planning.
- Optimized SEO and designed high-CTR thumbnails to maximize organic traffic and audience retention.

Education

- **Caucasus University** | Master in Management | **2025 - Present**
- **University of Business and Technologies** | Bachelor in IT | **2021 - 2025**

Volunteering

- **AIESEC** | Leadership Program | Digital Marketing | **09/2023 - 02/2024**

- Designed visually engaging promotional materials to drive awareness for international youth exchange programs and cross-cultural initiatives.
- Collaborated in cross-functional team meetings to brainstorm digital marketing strategies, share creative ideas, and improve team performance.
- Participated in leadership development practices, strengthening communication, strategic planning, and teamwork skills.
